Suggestion & Discussion

First Suggestion

- Sprints = min. 7 half days
- Sprints always ends on fridays and starts on a monday
- Approximated 7-9 sprints untill June

Second Suggestion

- Sprints = 7 or 8 half days
- Sprints finish with an evaluation and a planning of the next sprint (approx a half day)
- Approximated 10-12 sprints untill June

- Sprint length can varie from sprint to sprint, this is decided at the evaluation meetings (explained in project coordination)
